Redefining Luxury Bathware
Luxury | Innovation | Wellness

Introduction to Senator

Premium bathware brand known for Italian-inspired design and sophisticated Aesthetics.

Crafted exclusively for upscale bathrooms and luxury spaces.

Luxury Features & Signature Designs

Use of high-end materials such as gold, silver, and copper finishes.

Exceptional craftsmanship and bespoke detailing define the brand.

Curated designer bathware collections crafted for discerning tastes.

Technology, Wellness & Innovation

- Smart bathroom technology: touchless faucets, advanced showers.
- Wellness elements including whirlpool tubs and steam cabins.
- Holistic design blends comfort with style and innovation.

Exclusive Product Range

Comprehensive offering: sanitaryware, luxury faucets, washbasins, wellness products.

The Cian Solid Surface baths are heat retaining, scratch and stain resistant, and easy to maintain.

Available customizable finishes: gloss, matte, and bespoke colors.

Lifestyle Upgrades with Senator

- Real transformations in ultra-luxury homes and hotels through Senator bathware.
- Before-and-after visuals demonstrate aesthetic and lifestyle benefits.
- Enhances property value through exquisite design and functionality.

Sustainable Luxury - Eco-Friendly Innovations

Water-saving technologies embedded in product design.

Durable, non-porous, scratch and stain resistant surfaces for longevity.

Eco-conscious materials supporting sustainability without luxury compromise.

The Art of Bathroom Design: Signature Collections

- Collaborations with internationally acclaimed designers producing award-winning collections.
- Bespoke and customizable bathroom suites tailored for premium clientele.
- Innovative aesthetics redefining contemporary bathroom luxury.

Wellness at Home

Home spa experience with steam cabins, whirlpool tubs, and ergonomic products.
Wellness-driven features enhance relaxation and personal well-being.

The Senator Difference
